TOMMY'S THOUGHTS

God is definitely at work around Southside. During January, we welcomed five new members with one of those being by baptism! Praise the Lord!

For the last several weeks, our sermon series has focused on five key areas that are the very core of what Southside must focus upon if we are going to reach our community and our world with the Gospel of Jesus Christ.

- Our Passion is Jesus
- Our Purpose is People
- Our Privilege is Discipleship
- Our Pursuit is Worship
- Our Practice is Missions

Let me encourage you to prayerfully consider how you can order your daily life around these five key areas, which will in turn spread from your life to those around you like a wildfire!

May the people of Southside be so passionate for Jesus that Talladega will be turned right-side-up to the Glory of God!

From My Heart to Yours...

Bro. Tommy

Dear Church Family,

Farral and I appreciate the concern and sympathy expressed through the many cards and calls during the illness and passing of his mother. We felt the results of all the prayers lifted up for us and the family. God answered and met every need and continues to do so. God is so good and faithful, Praise His Name! We are blessed to be a part of this church family. Love in Christ....
